Candidate Profiles—GEORGIA GOVERNOR'S RACE-2018

**Environment**

**Stacey Abrams (Democratic Candidate)**

[info@staceyabrams.com](mailto:info@staceyabrams.com)

- **Climate Change:** no stance on the record
- **Public Lands: Parks and Monuments:** no stance on the record
- **Air and Water Pollution:** Abrams has worked to protect our natural resources and communities from hazardous waste that often has gone unchecked. Abrams sponsored legislation to ensure funds for hazardous waste clean-up actually went to that purpose, and to require landfills to alert the public in the event of a leak.
- **Green Technologies:** Abrams has supported greater oversight for petroleum pipelines.
- **Endangered Species:** no stance on the record

**Brian Kemp (Republican Candidate)**
